## LADIES' DAY.

Plans For Its Observance in This City Next Wednesday.

The Board of Trade Directory met last night to finish plans for Ladies' Day, which will be Wednesday, October 17th.

It was decided by the merchants to give no side attractions which would cost money and thereby frustrate a real Bargain Day, but to be more business like and practical, just offer goods of all classes at prices which would convince the women buyers that from Maysville merchants they can get goods at a slight advance above cost—new, fashionable, high class goods of a foreign and domestic make.

Now watch the various advertisements in THE LEDGER from today on. They will tell you of the bargains and we guarantee you'll find no better bargains anywhere than Maysville merchants will offer Wednesday next, October 17th.

## COULDN'T ESCAPE.

Young Married Couple Had to Take Their Dose of Rice.

Mr. George Cablish and Miss Lydia Moneyhon were married yesterday afternoon at Augusta.

Mr. Cablish is a brother of Miss Marie Cablish of this city and Mr. Will Cablish, well known here.

The bride and groom had intended making a trip to this city today, but they heard that their young friends intended giving them a big tinpanning last night, and they didn't think they'd enjoy that, so they concluded to get out of town.

The couple quietly slipped up as far as Higginsport, where they would take the Eastbound C. and O. Accommodation.

Their friends happened to have a "rubber" out, and their escape and their plans were found out.

Accordingly about twenty-five young ladies and gentlemen boarded the Huntington Accommodation at Augusta, and when Mr. and Mrs. Cablish stepped onto the train at Higginsport they were met with a shower of rice that would have made a Chinaman green with envy.

The next time they get married they will stay at home and listen to the melodious notes from the tinpanolom band before they take their wedding trip.

## QUIETLY WEDDED.

A Mason County Man Married Tuesday at Middlesboro.

A dispatch from Middlesboro to the daily papers yesterday said:

A wedding with a romantic tinge took place here Tuesday night when Harry Dobyns of Maysville was married to Miss Lute Polittie at the home of her uncle, G. F. Polittie, Rev. H. B. Mills officiating. The wedding was quite a surprise, as Miss Polittie only recently came here from Maysville to teach school. The wedding was to gratify the desire of a rich uncle of the groom in Mason county, who is lying at the point of death. The uncle agreed to make his will in his nephew's favor provided he married Miss Polittie, who has been a friend of his for years and whom the elderly Dobyns always very much admired. Miss Polittie will resume her duties as teacher tomorrow and the young man will return home with the marriage certificate with the hope of reaching his uncle's bedside before he dies.

The groom, Mr. Dobyns, is a nephew of Mrs. J. M. Foxworthy of East Third street.

He lives with his mother and brother near Mt. Gilead, being a thrifty farmer. Monday he took the L. and N. train at Helena Station, telling his brother he would be gone several days, but gave no hint of his marriage.

THE LEDGER man yesterday was the first to inform the family of the wedding. It was known that Mr. Dobyns had been paying attention to Miss Polittie, who is a very intelligent lady and a school-teacher of some note.

The romance as contained in the dispatch is purely the work of the reporter, as Mr. Dobyns has no uncle, his father being the only child.

The groom's father was for a long term of years Circuit Clerk of Fleming county and was at one time nominated for Congress from this District by the Democrats, when death cut short his career.

Blue Stone at Chenoweth's.

The trial of "Buchwhack" Williams and William Applegate, for cutting John Paul, was postponed until Monday afternoon.

Read this social notice and forget business worry, life's vexing problems, and breathe again that charming atmosphere which lingers but for a brief season and is gone forever. The sweet little cherub daughter of Mr. and Mrs. Samuel Hickman reached the quaint age of 12 months yesterday. To plant a proper marker her parents gave her a "Lullaby" party. Ten of her infantile friends were invited, and rolling and rocking and Mother Goose rhymes were the order of the day, till tired and wearied from so much play the lullaby songs closed the festivities and home in buggies the dear little tots were transported. Baby refreshments were served, while high chairs were the odd, stately needs around the table beautifully decked in pink roses, which caught their beauty from the faces of these innocents. Those present were Annie Humphreys Hickman, Mary Alter and Thomas Barbour, Margaret and Basil Owens, Charles William Forman, Bessie, Julia and Edith Morgan, Frank and Julia Jenkins.

## CIVIL LIBERTY CLUB.

The Civil Liberty Club of the Sixth Ward will meet tonight at Limestone Fire Hall.

Judge A. A. Wadsworth will address the meeting.

Everybody is invited.

## MAYSVILLE'S HEIGHT.

Visit of the United States Corps of Engineers to This City.

During the recent visit of the corps of engineers from the United States Geodetic Service, ascertaining the mean height of the Ohio Valley above the level of the sea, Sandy Hook being the point of beginning, a bench mark was placed on Court street side of the State National Bank building, upon the water table, to aid progress when improvements are built to aid traffic.

Upon advice from the Bureau at Washington City the explanation for this mark has been ascertained.

The exact number of feet Maysville is above the sea is 590; so when you look at the little brass tablet imbedded in this ledge above which is written "U. S. B. M." you will know it means Maysville is 590 feet above the level of the sea.

## FINE REPORT.

Increase in Membership the Past Year of Kentucky Oddfellows.

At the meeting of the Kentucky Grand Lodge, I. O. O. F., at Louisville, the Grand Secretary reported an increase this year of 1,131, making the present membership 10,561.

His report shows that during the year \$160,487.71 had been received from all sources and of this amount \$88,494.24 had been spent for various expenses.

The Grand Lodge decided to remove the office of the Grand Secretary from Louisville to Lexington, where Mr. Elliott will also perform the duties of Superintendent of the Widows and Orphans Home without compensation.

The report of the Widows and Orphans Home showed that the institution is in splendid financial condition, having over \$11,000 in the treasury.

There are twenty-four inmates in the Home at present, twenty-three being children.

In the House Committees Mr. W. H. Cox of this city is a member of the Home Committee for a one-year term.

**Does It Pay To Buy Cheap?**  
A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Boecher's German Syrup." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Pecor.

## Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for Indigestion or Biliousness. Doctors were scarce, and they seldom heard of appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
